

1. Go to the menu bar on [www.safemedicate.net](http://www.safemedicate.net), and click the **Store** menu. BE SURE to go to the **.NET** site. (The .COM site is for the United Kingdom, Australia and the rest of the world not part of North America.)

2. On the Store page, scroll down and click the **Go To Student Store** button.

3. Complete the following steps by selecting from the drop-down boxes:

<b>Step 1:</b>	Select the <b>USA &amp; Canada</b>	
<b>Step 2:</b>	Select the length of your license.	<b>2 year</b>
<b>Step 3:</b>	Select your institution/school.	<b>XYZZZZ University</b>
<b>Step 4:</b>	Select the year you are entering the academic program.	<b>2017</b>
<b>Step 5:</b>	Select the cohort.	<b>Fall (A)</b>
<b>Step 6:</b>	Select the group.	<b>AS INSTRUCTED BY FACULTY</b>

4. Type your name, email address, and billing address.
5. Create a password, and then confirm the password.
6. Click the **Purchase** button, and then enter your payment information.

Your license is **automatically registered** once the payment process has completed (this may take PayPal a few minutes). You may now log into the safeMedicate program using your email address and password. You will receive a receipt for your transaction via email - please retain this for your records.

Be sure to go to the **Support** menu to review help guides and video tutorials. User guides are also available in the Modules section next to the Start Modules links. Send questions to [info@safemedicate.net](mailto:info@safemedicate.net).
