**RECOMMENDATIONS FOR 2011 APPLICANTS**

- ABSN applicants should try to be complete with prerequisites at time of application.
- Place priority on science courses. Content preparation is very important.
- Raise Cumulative and Science GPAs as high as possible prior to application.
- Take prerequisites at OU Norman or equivalent, research-level institution.
- Follow-up with Admissions & Records regarding residency status.
- Make sure all transcripts are received. Outstanding transcripts accounted for the majority of denied applications in 2010.
