College of Nursing Scholarship Application

The OU College of Nursing scholarship applications are accessed by logging in using your HSC username and password to Oracle Self-Service at https://www.ouhsc.edu/selfserve. To apply, you must be an admitted OU Nursing student.

Step 1: Once logged in, click Main Menu → OUHSC Custom → Student Self Service → Scholarship Application.

Step 2: A list of eligible scholarships will be provided. Students will only see eligible scholarships based upon initial criteria such as academic program and/or residency.

Step 3: Check each box to the right of the scholarship to apply.

Step 4: Check the Apply button for each scholarship you wish to apply.

Step 5: Some scholarships require students to complete specific questions. If you select a scholarship that has specific questions, complete each required question. If you cannot answer the questions, check off the Apply button for that scholarship.

Step 6: Click Confirm selection to apply for the selected scholarships.

*If you return to this page at a later time to apply for additional scholarships, do not check off the Apply button unless you no longer wish to apply for that scholarship.*
