General information about textbooks:

Textbooks may be used for multiple courses. Do not sell your books until you find out which texts will be used for which course. You might need them next semester. Many books purchased during the junior year will continue to be used during the senior year.

If you purchase a used book, you may need to purchase additional online resources.

Laboratory diagnostic tests, Pharmacology textbooks, and Drug handbook or e-resources are the same as used in the junior year.
