

CONDUCTING RESEARCH WITH VULNERABLE POPULATIONS

Join our journal club as we explore health disparities and social determinants of health in the context of improving health outcomes among vulnerable populations.

The topic for March is “Conducting Research with Indigenous Communities”

Facilitated by Dr. Jennifer L. Heck

For more information, send an email to Jennifer-heck@ouhsc.edu

Thursday, March 25, 2021 @ 1:00 PM

Agenda

1. Compare & contrast reports about frameworks for research with Indigenous communities.
2. Discuss the reports' implications & applicability to participants' research.

Reports:

Reano, D. (2020). Using Indigenous research frameworks in the multiple contexts of research, teaching, mentoring, and leading. *The Qualitative Report*, 25(11), 3902-3926.
