**ALLIED LABS  
5243 N.W. CACHE ROAD  
LAWTON, OK 73505  
PH: 580 248-9679**

**INSTRUCTIONS**

- By paying for and submitting to student drug testing through The University of Oklahoma Health Sciences Center (OUHSC), you authorize the Compliance Resource Group to provide a copy of your drug test results to both OUHSC and affiliated Clinical Agencies as dictated by OUHSC.
- Please have a photo ID ready to present when you arrive for your collection.
- You will be providing a urine sample for a drug test – please drink enough fluids to ensure you can provide a sample when you arrive for your drug screen collection. However, to avoid producing a dilute sample, we advise limiting fluid intake to 24 oz in the 2 hours preceding your drug screen collection.
- The cost of the drug screen is \$45 and must be paid with cash or credit/debit card prior to taking the test. (Additional fees may apply for credit/debit card payments).
- We do not need a list of Rx medications at this time. If your specimen confirms positive at the laboratory you will be contacted using the phone number provided during your collection to discuss Rx medications prior to your test results being reported.

If you are unable to use one of the approved collection sites listed above, please visit [www.thecrginc.com/OUHSC](http://www.thecrginc.com/OUHSC) and CRG will help coordinate your drug screen collection in another location (additional fees will apply).
