- OBN will confirm you meet eligibility requirements with NCSBN (NCLEX). This takes about 2 weeks after they receive your transcripts.
 - NCSBN will e-mail your Authorization to Test (ATT) letter.
 - You then follow directions in the letter to call and schedule your test.
DO THIS ASAP WHEN YOU GET YOUR ATT.
 - Schedule the earliest date available. NCLEX pass rates statistically decline (plummet) if you wait to test.
- Take NCLEX.
 - Your results will automatically be sent to OBN.
 - You can check for your status at: <https://www.ok.gov/nursing/verify/>
 - Your results will be mailed to you in 1-2 weeks from the Board of Nursing.

Out-of-State

Moving out-of-state? You may need to complete different forms or do an FBI Background Check. Contact Student Affairs at nursing@ouhsc.edu for assistance. Start early!

Name Changes

All parts of the application must be filed in your complete legal name omitting **ALL** references to nicknames, etc. Your name must appear exactly the same on the following:

- Name on your OUHSC academic record (the name that will be on your official transcripts)
- Name on your RN licensure application completed online
- Name on your NCLEX registration completed online
- Name on your Driver's License that you will show when you take NCLEX

Do not report an *anticipated* name change. If you have already/will change your name for any one of the above items you must change your name officially on the 3 other items. Any inconsistency in the reporting of your name may cause delays or ineligibility to test.
