

**Associate of Applied Science in Nursing with
Associate of Science in Health Science to
Bachelor of Science in Nursing 2026-27
Suggested Course Sequence**

- This recommended course sequence reflects a three-year plan at MSC for students who are admitted earlier into the MSC nursing program and includes summer terms.
- Students will work with an advisor to adjust their plan based on individual goals and needs to ensure academic success.
- Students may require foundational courses in English, math, and/or biology (BIOL 1404) prior to being admitted into college-level or required program courses.
- Please note that changes or foundational coursework may extend the program beyond the plan outlined here.

First Year

Fall Semester			Spring Semester		
Course ID	Course Title	Credits	Course ID	Course Title	Credits
COL-1211	Success Strategies/Aggie Day*	1	ENG-1213	English Composition II	3
