

Oklahoma Nurse Refresher Program

A flexible pathway for LPNs and RNs returning to practice or updating nursing knowledge

Is this course for you?

This Oklahoma Board of Nursing-approved course may be appropriate if you:

- Need a refresher course for licensure by endorsement, reinstatement, or return to active status.
- Graduated from a state-accredited nursing program but have not taken or passed the NCLEX within two years.
- Have a current license and a Board order requiring refresher education. Bring a copy of the order.
- Hold an active Oklahoma nursing license and want to update your knowledge.

Program at a glance

FORMAT Self-paced online didactic review with instructor support.

LEARNING MODEL Test first; remediate only the content not yet mastered.

CLINICAL AND LAB Faculty-supervised skills checkoff plus virtual or in-person simulation, depending on location.

COST Full course \$2,000; didactic-only \$600. Fees are non-refundable.

ADDITIONAL CLINICAL TIME If needed to demonstrate competency, added fees may apply.

How to enroll

1

Confirm what the Oklahoma Board of Nursing requires.

Determine whether you need the full course (didactic plus clinical/lab) or didactic-only review. Keep any Board correspondence or order available.

2

Choose the correct enrollment path.

For the full course, select a participating technology center below. For didactic-only, contact the OU College of Nursing at Nurse-Refresher-Course@ou.edu.

3

Contact the program directly.

Ask about the next start date, availability, local clinical/lab format, required documents, payment, and any location-specific fees.

4

Complete enrollment and begin the course.

Follow the instructions provided by OU or your selected technology center. Do not begin clinical activities until all enrollment and site requirements are complete.
